

DSP Group, Inc. Announces Entering Into a Share Repurchase Program

March 12, 2012

SAN JOSE, Calif., March 12, 2012 (GLOBE NEWSWIRE) -- DSP Group®, Inc. (Nasdaq:DSPG), a leading global provider of wireless chipset solutions for converged communications at home and office, announced today that in light of the Company's strong cash position and its focus on shareholder value it has entered into a share repurchase program for up to 750,000 shares of its common stock.

Ofer Elyakim, CEO of DSP Group, stated, "We believe that the repurchase of shares at or near current price levels represents an attractive investment opportunity for the company and its shareholders."

This share repurchase program is in accordance with Rule 10b5-1 of the United States Securities Exchange Act of 1934 that is designed to facilitate these purchases. As of today, 1,220,000 shares of our common stock remained available for repurchase under our board authorized share repurchase program, of which 750,000 shares are now subject to this share repurchase program.

About DSP Group
