Whether or not you expect to attend the annual meeting in person, you are urged to mark, sign, date and return the enclosed proxy card as promptly as possible in the postage-prepaid envelope provided to ensure your representation and the presence of a quorum at the annual meeting. Should you receive more than one proxy because your shares are registered in different names and addresses, each proxy should be returned to ensure that all of your shares will be voted. If you send in your proxy card and then decide to attend the annual meeting to vote your shares in person, you may still do so. Your proxy is revocable in accordance with the procedures set forth in the proxy statement.

PROXY STATEMENT
FOR 2004 ANNUAL MEETING OF STOCKHOLDERS

General Information

This proxy statement is furnished to the stockholders of DSP Group, Inc., a Delaware corporation, in connection with the solicitation by our board of directors of proxies in the accompanying form for use in voting at the annual meeting of stockholders to be held on Tuesday, May 4, 2004, at 10:00 a.m., local time, at the Drake Swissotel, 440 Park Avenue at 56th Street, New York City, New York, 10022, and any adjournment or postponement thereof. The shares represented by proxies received, properly marked, dated, executed and not revoked will be voted at the annual meeting.

Our Internet Web site address is *www.dspg.com*. Our annual reports on Form 10-K, quarterly reports on Form 10-Q, current reports on Form 8-K, and amendments to those reports filed or furnished pursuant to Section 13(a) or 15(d) of the Exchange Act are available free of charge through our Web site as soon as reasonably practicable after they are electronically filed with, or furnished to, the Securities and Exchange Commission. We will also provide the reports in electronic or paper form free of charge upon request. All materials filed by us with the Commission also can be obtained at the Commission's Public Reference Room at 450 Fifth Street, N.W. Washington, D.C. 20549 or through the Commission's Web site at *www.sec.gov*. You may obtain information on the operation of the Public Reference Room by calling 1-800-SEC-0330.

Solicitation, Record Date and Voting Procedures

The solicitation of proxies will be conducted by mail and we will bear all attendant costs. These costs will include the expense of preparing and mailing proxy materials for the annual meeting and reimbursements paid to brokerage firms and others for their expenses incurred in forwarding solicitation material regarding the annual meeting to beneficial owners of our common stock. We may conduct further solicitation personally, telephonically or by facsimile through our officers, directors and regular employees, none of whom will receive additional compensation for assisting with the solicitation.

The close of business on March 10, 2004 has been fixed as the record date for determining the holders of shares of our common stock entitled to notice of and to vote at the annual meeting. As of the close of business on the record date, we had 28,841,976 shares of common stock outstanding and entitled to vote at the annual meeting. The presence at the annual meeting of a majority of these shares of our common stock, either in person or by proxy, will constitute a quorum for the transaction of business at the annual meeting. An automated system administered by our transfer agent will tabulate votes cast by proxy and a representative of the transfer agent will act as inspector of elections to tabulate votes cast in person at the annual meeting. Each outstanding share of common stock on the record date is entitled to one vote on all matters.

Under the General Corporation Law of the State of Delaware, an abstaining vote and a broker "non-vote" are counted as present and are, therefore, included for purposes of determining whether a quorum of shares is present at the annual meeting. Abstentions are included in determining the number of shares voted on the proposals submitted to stockholders (other than the election of directors) and will have the same effect as a "no" vote on such proposals. A broker "non-vote" occurs when a nominee holding shares for a beneficial owner does not vote on a particular matter because the nominee does not have the discretionary voting power with respect to

that matter and has not received instructions from the beneficial owner. Broker “non-votes,” and shares as to which proxy authority has been withheld with respect to any matter, are generally not deemed to be entitled to vote for purposes of determining whether stockholders’ approval of that matter has been obtained.

With respect to our proposal 1 of this proxy statement, the director nominees will be elected by a plurality of the votes of shares of our common stock represented and voted at the annual meeting, and abstentions and broker “non-votes” will have no effect on the outcome of the election of director nominees. With respect to proposal 2 of this proxy statement, the affirmative vote of a majority of shares of our common stock represented and voted at the annual meeting is required for approval. Abstentions will have the same effect as “no” votes on proposal 2, whereas broker “non-votes” will have no effect on such proposals.

The Proxy

The persons named as proxyholders, Eliyahu Ayalon and Moshe Zelnik, were selected by our board of directors and currently serve as our executive officers.

All shares represented by each properly executed, unrevoked proxy received in time for the annual meeting will be voted in the manner specified therein. If no specification is made on the proxy as to any one or more of the proposals, the common stock represented by the proxy will be voted as to the proposal for which no specification is given as follows: FOR the election of the director nominees named in this proxy statement; FOR the ratification of the selection of Kost, Forer, Gabbay & Kasierer, a member of Ernst & Young Global, as our independent auditors for the 2004 fiscal year; and, with respect to any other matters that may come before the annual meeting, at the discretion of the proxyholders. We do not presently know of any other business to be conducted at the annual meeting.

Revocability of Proxy

If the shares of common stock are held in your name, you may revoke your proxy given pursuant to this solicitation at any time before the proxy card is voted by: (i) delivering to us (to the attention of Moshe Zelnik, our Secretary), at the address of our principle executive offices, a written notice of revocation or a duly executed proxy bearing a later date, or (ii) attending the annual meeting and voting in person. If your shares are held in “street name,” you should follow the directions provided by your broker regarding how to revoke your proxy. Your attendance at the annual meeting after having executed and delivered a valid proxy card will not in and of itself constitute a revocation of your proxy. You will be required to give oral notice of your intention to vote in person to the inspector of elections at the annual meeting.

PROPOSAL NO. 1
ELECTION OF DIRECTORS

Our bylaws authorize the number of directors to be not less than five or more than nine. The number of directors on our board of directors is currently fixed at six. The board is divided into three classes: Class I, Class II and Class III. Each director serves a three-year term. The board is currently composed of three Class I directors (Messrs. Eliyahu Ayalon, Zvi Limon and Louis Silver), whose terms will expire at this annual meeting; two Class II directors (Messrs. Yair Seroussi and Yair Shamir), whose terms will expire upon the election and qualification of directors at the annual meeting of stockholders to be held in 2005, and one Class III director (Mr. Patrick Tanguy), whose term will expire at the annual meeting of stockholders to be held in 2006. At each annual meeting of stockholders, directors will be elected for full terms of three years to succeed those directors whose terms are expiring.

At this annual meeting, the stockholders will elect three Class I directors. Messrs. Ayalon, Limon and Silver have been nominated to serve a three-year term, until the annual meeting of stockholders to be held in 2007, or until their successors are elected or appointed and qualified, or until their earlier resignation or removal. Our board has no reason to believe that any of Messrs. Ayalon, Limon and Silver will be unable or unwilling to serve as a nominee or as a director if elected.

Class I Director Nominees

Eliyahu Ayalon joined us in April 1996 as President, Chief Executive Officer and director. In January 2000, Mr. Ayalon was appointed to serve as Chairman of our board. Mr. Ayalon is also a member of the board of directors of Ceva, Inc. (f.k.a. ParthusCeva, Inc.), a developer and licensor of DSP cores and related platform-level IP to the semiconductor industry, as of November 2002, and was the Chairman until February 2004. Mr. Ayalon previously served as President and Chief Executive Officer of Mennen from May 1992 to April 1996. Mr. Ayalon is also a member of the board of directors of M Systems Flash Disk Pioneers Ltd., a developer and manufacturer of data storage products.

Zvi Limon has served as one of our directors since February 1999. Mr. Limon is currently self-employed. He served as Chairman of Limon Holdings Ltd., a consulting and investment advisory firm, from October 1993 to July 2000. The Company elected and agreed to nominate Mr. Limon to the board of directors as a representative of Magnum Technology, Ltd. under certain conditions pursuant to the terms of a stock purchase agreement, dated February 11, 1999, with Magnum, filed as an exhibit to our quarterly report on form 10-Q for the quarter ended March 31, 1999. Since November 2002, Mr. Limon is also a member of the board of directors of Ceva, Inc., and of several private companies.

Louis Silver has served as one of our directors since November 1999. Mr. Silver is currently self-employed. Since November 2002, Mr. Silver is also a member of the board of directors of Ceva, Inc. He served as an advisor and counsel to the Discount Bank & Trust Company, an international bank, from September 1996 to July 2002. From April 1992 to December 1995, Mr. Silver served as Vice President, Secretary and General Counsel of Sapiens International, a provider of enterprise-wide, mission-central business solutions.

Director Independence

Our board of directors has determined that the director nominees, Messrs. Limon and Silver, are "independent" as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers. Mr. Ayalon is considered an inside director because he is our Chief Executive Officer.

Required Vote

The nominees will be elected by a plurality of the votes cast. Abstentions and broker non-votes are not counted toward the nominees' total.

THE BOARD OF DIRECTORS RECOMMENDS A VOTE FOR
THE ELECTION OF THE DIRECTOR NOMINEES NAMED ABOVE.

From August 1993 to April 1998, he served as the Chairman of Groupe DAFSA, a supplier of economic data and financial information about French companies.

Director Independence

Our board of directors has determined that all non-employee directors of the board, consisting of Messrs. Limon, Seroussi, Shamir, Silver and Tanguy, are “independent” as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers. In making this determination, our board of directors considered transactions and relationships between each director or his or her immediate family and the company and our subsidiaries, including those reported in the section below captioned, “Certain Relationships and Related Transactions.” The purpose of this review was to determine whether any such relationships or transactions were material and, therefore, inconsistent with a determination that the director is independent. As a result of this review, our board affirmatively determined, based on its understanding of such transactions and relationships, that all of our non-employee directors are independent of the company and, therefore, a majority of the members of our board is independent, under the standards set forth by the Nasdaq rules.

Relationships Among Directors or Executive Officers

There are no family relationships among any of our directors or executive officers.

Meetings and Committees of the Board of Directors

During 2003, our board of directors met 7 times in meetings or telephonically and acted 2 times by unanimous written consent. No director attended fewer than 75% of the aggregate of either (i) the total number of board meetings held during the period for which he was a director, or (ii) the total number of committee meetings of the board held in 2003 on which he served. Commencing in 2004, it is the policy of our board to encourage members of the board to attend the annual stockholder’s meetings. Director attendance at each annual stockholder’s meeting, including the 2003 stockholder’s meeting, will be posted on our web site at www.dspg.com. Also commencing in 2004, it is the policy of our board that at the conclusion of each meeting of the board that the independent directors shall meet separately with no members of management present, and that the Chairman of our nomination and corporate governance committee shall act as the chair of such meetings of the independent directors.

Compensation Committee

The compensation committee held 2 meetings in 2003. The compensation committee currently consists of Messrs. Limon, Shamir and Silver. Our board of directors has determined that all current members of the compensation committee are “independent” as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers. The committee’s functions are to establish and apply our compensation policies with respect to our executive officers. Additional duties and powers of the compensation committee are set forth in its charter, which was adopted and approved in January 2004 and a copy of which is attached to this proxy statement as [Appendix A](#).

Audit Committee

The audit committee held 5 meetings in 2003. The audit committee currently consists of Messrs. Limon, Seroussi, Shamir and Tanguy. The audit committee is directly responsible for the appointment, compensation, retention and oversight of our independent auditors. In addition, the audit committee is responsible for approving the audit and non-audit services performed by our independent auditors and for reviewing and evaluating our accounting principles and our system of internal accounting controls. Additional duties and powers of the audit committee are set forth in its amended and restated charter, which was adopted and approved in November 2002 and further amended in July 2003 and January 2004 and a copy of which is attached to this proxy statement as [Appendix B](#). The audit committee has also established procedures for (a) the receipt, retention and treatment of complaints received by us regarding accounting, internal accounting controls or auditing matters, and (b) the confidential, anonymous submission by our employees of concerns regarding questionable accounting or auditing matters.

After considering transactions and relationships between each member of the audit committee or his immediate family and the company and our subsidiaries and reviewing the qualifications of the members of the

audit committee, our board of directors has determined that all current members of the audit committee are (1) "independent" as that term is defined in Section 10A of the Exchange Act; (2) "independent" as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers; and (3) financially literate and have the requisite financial sophistication as required by the Nasdaq rules applicable to issuers listed on the Nasdaq National Market. Furthermore, our board of directors has determined that Mr. Tanguy qualifies as an audit committee financial expert, as defined by the applicable rules of the Exchange Act, pursuant to the fact that, among other things, he is currently the Chief Executive Officer of Technal Group and in that capacity has acquired the relevant experience and expertise and has the attributes set forth in the applicable rules as being required for an audit committee financial expert.

Nomination and Corporate Governance Committee

The nomination and corporate governance committee did not hold any meetings in 2003 as the committee was established in January 2004. The nomination and corporate governance committee consists of Messrs. Seroussi, Silver and Tanguy. Our board of directors has determined that all current members of the nomination and corporate governance committee are "independent" as that term is defined in Rule 4200 of the listing standards of the National Association of Securities Dealers. The nomination and corporate governance committee is to assist the board in all matters relating to the establishment, implementation and monitoring of policies and processes regarding the recruitment and nomination of candidates to the board and committees of the board, and the development, evaluation and monitoring of our corporate governance processes and principles. The committee also is responsible for developing, implementing and monitoring compliance of our code of business conduct and ethics and making recommendations to the board of revisions to the code from time to time as appropriate. Additional duties and powers of the nomination and corporate governance committee are set forth in its charter, which was adopted and approved in January 2004 and a copy of which is attached to this proxy statement as [Appendix C](#).

Charters of the compensation committee, the audit committee, and the nomination and corporate governance committee may be found on our web site at www.dspg.com.

Qualifications of Directors

Our board of directors has not established any special qualifications or any minimum criteria for director nominees. In considering candidates for the board, the nomination and corporate governance committee will consider the entirety of each candidate's credentials. However, as specified in the charter for the nomination and corporate governance committee, the nomination and corporate governance committee shall consider certain qualifications such as the nominee's personal and professional integrity, ability, judgment, broad experience in business, finance or administration, familiarity with our industry, ability to serve the long-term interests of our stockholders and sufficient time available to devote to our affairs. The nomination and corporate governance committee will also use its best efforts to seek to ensure that the composition of our board of directors at all times adheres to the independence requirements applicable to companies listed on the Nasdaq National Market, as well as other regulatory requirements applicable to us.

Director Nomination Process

We do not have a formal director nomination process.

Continuing Directors

Generally, the nomination and corporate governance committee identifies nominees by first evaluating the current members of the board willing to continue in service. Current members of the board with skills and experience that are relevant to our business and who are willing to continue in service are considered for renomination. The nomination and corporate governance committee will balance the value of continuity of service by existing members of the board with that of obtaining a new perspective.

New Directors

Generally, once a need to add a new board member is identified, the nomination and corporate governance committee will initiate a search by working with staff support, seeking input from board members and senior management and hiring a consultant or search firm, if necessary. After a slate of possible candidates is identified, members of the nomination and corporate governance committee, other members of the board and senior management have the opportunity to interview the prospective candidate(s). The remaining members of the board who do not interview the prospective candidate(s) are kept informed of the progress. The nomination and corporate governance committee ultimately recommends the best candidate(s) the committee members determine after the selection process for approval by the full board.

Compensation of Directors

Directors who are also employees do not receive any additional compensation for their services as directors. Directors who are not employees receive an annual retainer of \$32,000, payable in quarterly installments of \$8,000 each. The retainer contemplates attendance at four board meetings per year. Additional board meetings of a face-to-face nature are compensated at a rate of \$1,000 per meeting. In addition, committee meetings of a face-to-face nature and on a telephonic basis are compensated at a rate of \$1,000 per meeting. All directors are reimbursed for expenses incurred in connection with attending board and committee meetings.

Each of our outside directors is also entitled to participate in our 1993 Director Stock Option Plan. The director option plan provides for the grant of non-statutory options to our non-employee directors. The director option plan is designed to work automatically; however, to the extent administration is necessary, it will be provided by our board of directors. The director option plan provides that each eligible director is granted an option to purchase 60,000 shares of our common stock under the director option plan on the date on which he first becomes a director (the "First Option"). In addition, on the same date, each new director is granted an option to purchase 20,000 shares of our common stock under our 2001 Stock Incentive Plan. Thereafter, each outside director is granted an option to purchase 20,000 additional shares of common stock (a "Subsequent Option") under the director option plan on January 1 of each year if, on such date, he shall have served on our board of directors for at least six months. In addition, an option to purchase 20,000 shares of common stock (a "Committee Option") under the director option plan is granted on January 1 of each year to each outside director for each committee of the board on which he shall have served as a chairperson for at least six months.

On January 1, 2003, each of Messrs. Limon, Shamir, Seroussi, Silver and Tanguy was granted a Subsequent Option, at an exercise price of \$15.82 per share, under the director option plan. Additionally, each of Messrs. Limon and Shamir was also granted a Committee Option for their service as Chairman of one of our board committees, at an exercise price of \$15.82 per share, under the director option plan. In January 2004, Mr. Limon was granted an option to purchase 200,000 shares of common stock, at an exercise price of \$27.09 per share, for his services as Chairman of our strategic planning committee. In March 2004, Mr. Limon voluntarily surrendered to the company for cancellation 100,000 shares of common stock subject to this option grant.

Section 16(a) Beneficial Ownership Reporting Compliance

Section 16(a) of the Securities Exchange Act of 1934, as amended, requires our directors, executive officers and persons who own more than 10% of our common stock (collectively, "Reporting Persons") to file initial reports of ownership and changes in ownership of our common stock with the Securities and Exchange Commission. Copies of these reports are also required to be delivered to us.

We believe, based solely on our review of the copies of such reports received or written representations from certain Reporting Persons, that during the fiscal year ended December 31, 2003, all Reporting Persons complied with all applicable filing requirements, except that each of Messrs. Limon, Seroussi, Shamir, Silver and Tanguy inadvertently filed late one Form 4, Mr. Ayalon inadvertently filed late two Form 4s, and Messrs. Edan and Zelnik inadvertently filed late three Form 4s, all reflective of option transactions.

Communications with the Board

Our board of directors believes that full and open communication between stockholders and members of our board is in our best interests and the best interests of our stockholders. Stockholders can contact any director or committee of the board by writing to the Chairman of the nomination and corporate governance committee, c/o DSP Group, Inc., 3120 Scott Boulevard, Santa Clara, CA 95054. The Chairman of the nomination and corporate governance committee will determine the extent to which such stockholder communications should be disseminated to other members of the board and what response, if any, should be made to such communications. Comments or complaints relating to our accounting, internal accounting controls or auditing matters may be referred directly to our audit committee by writing to the Chairman of the audit committee, c/o DSP Group, Inc., 3120 Scott Boulevard, Santa Clara, CA 95054. In view of recently adopted disclosure requirements by the Securities and Exchange Commission related to stockholder communications, the nomination and corporate governance committee may consider development of more specific procedures. Until any other procedures are developed and posted on our web site, any stockholder communication should be directed to the attention of the persons and address noted above.

Stockholder Proposals

The nominating and corporate governance committee will consider stockholder proposals properly submitted to us, including recommendations of qualified director nominee(s), in accordance with the procedures set forth below. In order to have a proposal considered by the nominating and corporate governance committee for the 2005 annual meeting, a stockholder must submit its proposal and other relevant information in writing to the attention of our Secretary at our principle executive offices no later than December 1, 2004. The stockholder must submit the following relevant information: (1) a brief description of the business desired to be brought before the annual meeting and the reasons for conducting such business at the annual meeting; (2) the name and address, as they appear on our books, of the stockholder proposing such business; (3) the class and number of shares of our common stock which are beneficially owned by the stockholder; (4) any material interest of the stockholder in such business; and (5) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act, in the stockholder's capacity as a proponent to the proposal.

With respect to recommendations of director nominee(s), the stockholder must submit the following relevant information in writing to the attention of our secretary at its principle executive offices no later than December 1, 2004: (1) the name, age, business and residence address of the prospective candidate; (2) a brief biographical description of the prospective candidate, including employment history for the past five years, and a statement of the qualifications of the prospective candidate; (3) the class and number of shares of our common stock, if any, which are beneficially owned by the prospective candidate; (4) a description of all arrangements or understandings between the stockholder and the prospective candidate pursuant to which the nomination is to be made by the stockholder if the stockholder and the prospective candidate are different individuals; (5) the candidate's signed consent to serve as a director if elected and to be named in the proxy statement; and (6) any other information that is required to be provided by the stockholder pursuant to Regulation 14A under the Exchange Act. Once the nomination and corporate governance committee receives the stockholder recommendation, it may deliver to the prospective candidate a questionnaire that requests additional information about the candidate's independence, qualifications and other matters that would assist the nomination and corporate governance committee in evaluating the candidate, as well as certain information that must be disclosed about the candidate in our proxy statement or other regulatory filings, if nominated.

The nomination and corporate governance committee will not evaluate candidates differently based on who has made the proposal. The committee will consider candidates for the board from any reasonable source, including stockholder recommendations. The committee has the authority under its charter to hire and pay a fee to consultants or search firms to assist in the process of identifying and evaluating candidates. No such consultants or search firms were used for the slate of director nominees at this annual meeting since all directors nominated are for re-election, and, accordingly, no fees have been paid to consultants or search firms in the past fiscal year.

Greater detail about the submission process for stockholder proposals are set forth in our bylaws, a copy of which may be obtained by making a written request to our Secretary at the address of our principal executive offices.

We have not received a director nominee recommendation from any stockholder (or group of stockholders) that beneficially owns more than five percent of our common stock.

Code of Business Conduct and Ethics

Our board of directors adopted a code of business conduct and ethics in July 2003 and further amended it in January 2004. This code applies to all of our employees and is posted on our web site at www.dspg.com. The code satisfies the requirements under the Sarbanes-Oxley Act of 2002, as well as Nasdaq rules applicable to issuers listed on the Nasdaq National Market. The code, among other things, addresses issues relating to conflicts of interests, including internal reporting of violations and disclosures, and compliance with applicable laws, rules and regulations. The purpose of the code is to deter wrongdoing and to promote, among other things, honest and ethical conduct and to ensure to the greatest possible extent that our business is conducted in a legal and ethical manner. Any waivers to the code with respect to our executive officers and directors may be granted only by the audit committee. Any waivers to the code with respect to the remainder of the employees may be granted by the corporate compliance officer, which is currently our Chief Financial Officer. Any waivers to the code and any amendments to the code applicable to our Chief Executive Officer, Chief Financial Officer, principal accounting officer, controller or persons performing similar functions, will be posted on our web site. The following table sets forth certain information with respect to stock options granted during 2003 to each of the Named Executive Officers. In accordance with the rules of the Securities and Exchange Commission, also shown below is the potential realizable value over the term of the option (the period from the grant date to the expiration date) based on assumed rates of stock appreciation of 5% and 10%, compounded annually. These amounts are based on certain assumed rates of appreciation and do not represent our estimate of future stock price. In the event of death or permanent disability of Mr. Ayalon, all options would accelerate and immediately vest. In April 2000 it was agreed that if Mr. Ayalon terminated his employment agreement voluntarily at any time, provided that he gives a 12-months advance written notice, all options held by Mr. Ayalon would be fully vested six months after the date of the notice, and all vested options held by Mr. Ayalon upon the date of his cessation of employment with us for any reason would be exercisable for a period of two years.

Employment Agreements

The following Named Executive Officers have written employment agreements with us: Messrs. Ayalon, Edan and Zelnik.

In April 1996, Mr. Ayalon entered into an employment agreement with DSP Group, Ltd., our wholly-owned subsidiary in Israel ("DSP Israel"), pursuant to which Mr. Ayalon was to serve as our President and Chief Executive Officer. The term of the agreement is indefinite. The agreement originally provided for a fixed monthly salary of NIS 47,000 (approximately U.S. \$11,217), which has been adjusted from time to time by the board and currently provides for an annual base salary of U.S. \$350,000. Mr. Ayalon is also entitled to an annual bonus, the amount of which is determined in the sole discretion of the board. The agreement may be terminated by us or Mr. Ayalon, without cause (as defined in the agreement), upon a six-month advance written notice. Mr. Ayalon's employment agreement was amended in November 1997 to provide for the following: (i) Mr. Ayalon's base compensation shall be fixed at the commencement of each year, but shall not be subject to reduction during the term of the agreement, (ii) if Mr. Ayalon terminates the agreement without good reason or if

we terminate the agreement for cause, then no further payments shall be made to Mr. Ayalon pursuant to the agreement and he shall be subject to a one-year prohibition against competition in addition to the customary prohibitions against disclosure of trade secrets, (iii) upon our change of control or if the agreement is terminated by Mr. Ayalon for good reason or by us without cause, then all rights of Mr. Ayalon under the agreement would continue for two years and all options held by Mr. Ayalon shall accelerate and immediately vest and be exercisable in whole or in part at any time during the remaining two-year term of the agreement, and (iv) in the event of death or permanent disability of Mr. Ayalon, all options shall accelerate and immediately vest. The board further amended Mr. Ayalon's agreement in April 2000 to provide that if Mr. Ayalon terminates the agreement voluntarily at any time, provided that he gives a 12-months advance written notice, all options held by Mr. Ayalon shall be fully vested six months after the date of the notice. Additionally, these amendments provided that all vested options held by Mr. Ayalon upon the date of his cessation of employment with us for any reason shall be exercisable for a period of two years.

In May 1999, Mr. Edan entered into an employment agreement with DSP Israel, pursuant to which Mr. Edan is to serve as our Vice President of Operations. As of October 2002, Mr. Edan became our Chief Operating Officer and his annual salary was increased to U.S. \$160,000, subject to adjustment from time to time. The term of the agreement is indefinite. Mr. Edan also is entitled to an annual bonus, the amount of which is determined in our sole discretion. The agreement may be terminated by us or Mr. Edan upon a 90-day advance written notice. However, we have the right to terminate Mr. Edan's employment without prior notice. In such a case, Mr. Edan shall be paid the amount due to him under the prior notice period at the rate of his then current salary for such period. In July 2003, we agreed to amend all of Mr. Edan's outstanding option agreements to provide that in the event of his termination by us without cause, all of his options would vest upon termination and could be exercised for a period of two years following termination. Also, in the event Mr. Edan's employment was terminated because of his death or permanent disability, all of his options would accelerate and immediately vest.

In May 1999, Mr. Zelnik entered into an employment agreement with DSP Israel, pursuant to which Mr. Zelnik is to serve as our Vice President, Finance and Chief Financial Officer. The term of the agreement is indefinite. The agreement currently provides for a fixed monthly salary of NIS 42,000 (approximately U.S. \$8,900), subject to adjustment from time to time. Mr. Zelnik also is entitled to an annual bonus, the amount of which is determined in our sole discretion. The agreement may be terminated by us or Mr. Zelnik upon a 90-days advance written notice. - (2) Neither the 1998 Non-Officer Employee Stock Option Plan nor the 2003 Israeli Share Option Plan was previously approved by our stockholders. The total number of shares of common stock available for the grant of options under the 2003 plan is increased on the first day of each calendar year beginning in 2004 by a number of shares equal to three percent of the number of shares of our common stock outstanding as of such date or a lesser number as determined by the administrator of the plan.

The following are descriptions of the material features of the Company's equity compensation plans that have not been approved by the Company's stockholders:

1998 Non-Officer Employee Stock Option Plan

The Company's board of directors adopted the Non-Officer Employee Stock Option Plan (the "Non-Officer Option Plan") in November 1998. A maximum of 5,062,881 shares of common stock (post adjustment in connection with the separation of the DSP cores licensing business) is currently available for issuance under the Non-Officer Option Plan. The board of directors, or a committee designated by the board of directors, administers the Non-Officer Option Plan. The administrator has the sole discretion to interpret any provision of the Non-Officer Option Plan, and to determine the terms and conditions of awards of non-qualified stock options under the Non-Officer Option Plan. Options currently may be granted to employees of the Company and any parent or subsidiary of the Company. Officers may not be granted options under the Non-Officer Option Plan. The material features of the Non-Officer Option Plan are summarized below.

Term. The term of each option shall be stated in the applicable option agreement.

Exercise Price. The exercise price per share of common stock for an option shall be such price as is determined by the administrator.

Vesting. Each option shall vest in accordance with a schedule as determined by the administrator.

Early Exercise. An option may include a provision whereby the participant may elect to exercise any part or all of the option prior to vesting of the option. Any unvested shares received pursuant to such exercise may be subject to a repurchase right in favor of the Company or any other restriction the administrator determines to be appropriate.

Transferability. Options are transferable to the extent provided in the applicable option agreement.

Termination of Employment. A participant may not exercise an option after the termination of the participant's employment, director or consulting relationship with the Company or any parent or subsidiary of the Company, except to the extent specified in the applicable option agreement. Where the option agreement permits the exercise of the option following termination of the participant's employment or other service relationship with the Company or any parent or subsidiary of the Company, the option shall terminate to the extent not exercised on the last day of the specified period or the last day of the term of the option, which ever occurs first.

Acquisition of the Company. If the Company is acquired whether by sale, transfer of assets, merger or similar transaction, the administrator shall have the authority to provide for the full automatic vesting and exercisability of one or more outstanding unvested options under the Non-Officer Option Plan on such terms and conditions as the administrator may specify.

Amendment and Termination of the Plan. The Non-Officer Option Plan will continue until it is terminated by the board of directors. The board may amend the Non-Officer Option Plan at any time or from time to time or may suspend or terminate it, without approval of the stockholders, except as required by law. However, no action by the board of directors or stockholders may alter or impair any option previously granted under the Non-Officer Option Plan. No option may be granted during any suspension of or after termination of the Non-Officer Option Plan.

2003 Israeli Share Option Plan

The board of directors adopted the 2003 Israeli Share Option Plan (the "Israeli Option Plan") in November 2002. In March 2003, the board adopted and approved an amendment and restatement of the Israeli Option Plan to comply with changes in Israeli tax law. The number of shares of common stock available for issuance under the Israeli Option Plan is currently 2,803,416 shares plus an annual increase to be added on the first business day of each calendar year equal to three percent of the number of shares of common stock of the Company issued and outstanding as of such date or a lesser number of shares as determined by the board of directors. The board of directors, or a committee designated by the board of directors, administers the Israeli Option Plan. The administrator has the sole discretion to interpret any provision of the Israeli Option Plan and to determine the terms and conditions of the options issued under the Israeli Option Plan. Options currently may be granted to employees and other service providers of the Company and any parent or subsidiary of the Company. The material features of the Israeli Option Plan are summarized below.

Term. The term of each option shall be stated in the applicable option agreement.

Exercise Price. The exercise price per share of common stock for an option shall be determined by the administrator and set forth in the applicable option agreement.

Vesting. Each option shall vest in accordance with a schedule as determined by the administrator.

Transferability. Options are non-transferable except as provided in the option agreement. During the lifetime of the participant, the option may be exercised only by the participant.

Termination of Employment. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated other than for cause or as a result of death or disability, the vested portion of the option shall be exercisable for 90 days after the date of termination. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated as a result of death or disability, the vested portion of the option shall be exercisable for 12 months after the date of termination. In the event a participant's employment relationship with the Company or any parent or subsidiary of the Company is terminated for cause, the option shall immediately terminate and cease to be exercisable. In no event shall an option be exercisable after the expiration date of the option.

Acquisition of the Company. The terms of an option agreement may provide for the full automatic vesting and exercisability of the option in the event the Company is acquired by sale, transfer of assets, merger or similar transaction.

Amendment and Termination of the Israeli Option Plan. The Israeli Option Plan will terminate in November 2012. The board of directors may amend the Israeli Option Plan at any time or from time to time or may suspend or terminate it, without approval of the stockholders, except as required by law. However, no action by the board of directors or stockholders may alter or impair any option previously granted under the Israeli Option Plan.

Compensation Committee Report on Executive Compensation

Notwithstanding anything to the contrary set forth in any of the Company's previous filings under the Securities Act of 1933 or the Exchange Act of 1934 that might incorporate future filings, including this proxy statement, with the Securities and Exchange Commission, in whole or in part, the following report and the stock performance graph that follows shall not be deemed to be incorporated by reference into any such filings, nor shall the following report be deemed to be incorporated by reference into any future filings under the Securities Act or the Exchange Act.

The compensation committee of the Company's board of directors, which is comprised solely of independent, non-employee board members, has the authority and responsibility to establish the overall compensation strategy for the Company, including salary and bonus levels, administer the Company's incentive compensation and benefit plans, 401(k) plans, and stock option and purchase plans, and review and make recommendations to the board of directors with respect to the Company's executive compensation. Messrs. Limon, Shamir and Silver were the members of the compensation committee in fiscal year 2003.

Compensation Policy. The Company's compensation policy, as established by the compensation committee, states that the executive officers' total annual cash compensation should vary with the performance of the Company and that long-term incentives awarded to such officers should be aligned with the interest of the Company's stockholders. The Company designed its executive compensation program to attract and retain executive officers who will contribute to the Company's long-term success, to reward executive officers who contribute to the Company's financial performance and to link executive officer compensation and stockholder interests through the grant of stock options under the 2001 Stock Incentive Plan (the "2001 Stock Plan").

Compensation of the Company's executive officers consists of three principal components: salary, bonus and long-term incentive compensation consisting of stock option grants.

Salary. The base salaries of the Company's executive officers are reviewed annually and are set by the compensation committee. When setting base salary levels, in a manner consistent with the compensation committee's policy outlined above, the committee considers competitive market conditions for executive compensation, the Company's performance and the performance of the individual executive officer.

Bonus. For the fiscal year ended December 31, 2003, the compensation committee evaluated the performance of, and set the bonuses payable to, the Chief Executive Officer and the other executive officers of the Company. The performance factors utilized by the compensation committee in determining whether bonuses should be awarded to the Company's executive officers included the following: (1) increased sales of the Company's products and changes in profitability of the Company during fiscal 2003; (2) the officer's overall individual performance in his position and his relative contribution to the Company's performance during the year; and (3) the desire of the board of directors to retain the executive officer in the face of considerable competition for executive talent within the industry. The board of directors or the compensation committee in the future may modify the foregoing criteria or select other performance factors with respect to bonuses paid to executive officers for any given fiscal year.

Long-term Incentive Compensation. The Company believes that stock option grants (1) align executive officer interests with stockholder interests by creating a direct link between compensation and stockholder return; (2) give executive officers a significant, long-term interest in the Company's success; and (3) help retain key executive officers in a competitive market for executive talent.

The 2001 Stock Plan authorizes the board of directors, or a committee thereof, to grant stock options to employees and consultants of the Company, including the executive officers. Stock option grants are made from time to time to executive officers whose contributions have or will have a significant impact on the Company's long-term performance. The Company's determination of whether stock option grants are appropriate is based upon individual performance measures established for each individual on an annual basis. Options are not necessarily granted to each executive officer during each year. Generally, options granted to executive officers vest as to 25% of the grant on the first anniversary of the date of grant with the remaining options vesting quarterly over the next three years and expire seven years from the date of grant. Details on stock options granted to certain executive officers in 2003 are provided in the table entitled "Option Grants in 2003" contained in this proxy statement.

Compensation of Chief Executive Officer. The board of directors considered the following factors in evaluating the performance of, and setting the bonus compensation for, Mr. Ayalon, the Company's Chairman of the board and Chief Executive Officer: (1) the changes in the net income of the Company from the prior year, (2) the Company's stock price, (3) his contribution to an enhanced research and development strategy in response to changing market trends, (4) his contribution to the hiring and retention of top management personnel, and (5) the time and effort that Mr. Ayalon individually applied in connection with the execution of his duties. The compensation committee believes that the salary, bonus and long-term incentive compensation paid to Mr. Ayalon for the fiscal year ended December 31, 2003 were appropriate based on the above criteria.

Compensation Policy Regarding Deductibility. Section 162(m) of the Internal Revenue Code, enacted in 1993, generally disallows a tax deduction to publicly held companies for compensation exceeding \$1 million paid to certain of the corporation's executive officers. The limitation applies only to compensation which is not considered to be performance-based. The 1991 Employee and Consultant Stock Plan (the "1991 Stock Plan") and the 2001 Stock Plan are structured so that any compensation deemed paid to an executive officer in connection with the exercise of option grants made under the respective plan will qualify as performance-based compensation which will not be subject to the \$1 million limitation. The compensation committee is aware of the limitations imposed by Section 162(m), and the exemptions available therefrom, and will address the issue of deductibility when and if circumstances warrant, and may use such exemptions in addition to the exemption contemplated under the 1991 Stock Plan and the 2001 Stock Plan.

- (1) Audit fees represent fees for the audit of consolidated financial statements for the fiscal year ended December 31, 2003 and the review of financial statements included in our quarterly reports on Form 10-Q.
- (2) Audit-related fees represent fees for professional services provided in connection with the audit of our annual financial statements and review of our quarterly financial statements, advice on accounting matters that arose during the provision of the audit services. Audit-related fees in 2002 also included fees for auditing services with respect to the combination of Ceva, Inc., then one of our wholly-owned subsidiaries, with Parthus Technologies plc.
- (3) Tax fees represent fees for professional services provided in connection with the preparation of our federal and state tax returns and advisory services for other tax compliance matters.
- (4) All other fees represent fees for professional services with respect to the acquisition of Teleman Multimedia Inc. and other services, including approved enterprise issues in Israel.

Audit and Non-Audit Services Pre-Approval Policy

Under the Sarbanes-Oxley Act of 2002, all audit and non-audit services performed by Kost, Forer, Gabbay & Kasierer, our independent auditors, must be approved in advance by the audit committee to assure that such services do not impair the auditors' independence from the company. In January 2004, the audit committee adopted an audit and non-audit services pre-approval policy which sets forth the procedures and conditions pursuant to which audit and non-audit services to be performed by the independent auditors are to be pre-approved. Pursuant to the policy, certain services or category of services described in detail in the policy may be pre-approved generally on an annual basis together with pre-approved maximum fee levels for such services. The services eligible for annual pre-approval consist of audit services, audit-related services, tax services and other services. If not pre-approved on an annual basis, proposed services must otherwise be separately approved prior to being performed by the independent auditors. The audit committee may also pre-approve particular services on a case-by-case basis. In addition, any services that receive annual pre-approval but exceed the pre-approved maximum fee level also will require separate approval by the audit committee prior to being performed. The audit committee may delegate authority to pre-approve audit and non-audit services to any member of the audit committee, but may not delegate such authority to management. Our independent auditors and Director of Finance are required to periodically report to the audit committee regarding the extent of services provided by the independent auditors in accordance with the pre-approval policy and the fees for the services performed to date.

Since the pre-approval policy was not established until January 2004, the audit committee specifically approved all audit and non-audit services prior to them being performed by the independent auditors in fiscal 2003. The audit committee pre-approved 100% of the audit fees, 85% of the audit-related fees, 95% of the tax fees and 0% of the all other fees for fiscal 2003. In total, the audit committee pre-approved 90% of the total fees for fiscal 2003. None of the fiscal 2002 fees were pre-approved by the audit committee.

DSP GROUP, INC.
CHARTER OF THE AUDIT COMMITTEE
AUTHORITY AND PURPOSE

The Audit Committee of DSP Group, Inc. (the "Corporation") is appointed by the Corporation's Board of Directors (the "Board") to oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation. The Audit Committee (the "Committee") shall undertake those specific duties and responsibilities listed below and such other duties as the Board shall from time to time prescribe. All powers of the Committee are subject to the restrictions designated in the Corporation's Bylaws and applicable laws, rules and regulations.

STATEMENT OF POLICY

The Committee shall oversee the accounting and financial reporting processes of the Corporation and audits of the financial statements of the Corporation. In so doing, the Committee shall endeavor to maintain free and open means of communication between the directors, the independent auditors and the financial management of the Corporation. In addition, the Committee shall review the policies and procedures adopted by the Corporation to fulfill its responsibilities regarding the fair and accurate presentation of financial statements in accordance with generally accepted accounting principles and applicable rules and regulations of the Securities and Exchange Commission (the "Commission") and the National Association of Securities Dealers (the "NASD") applicable to Nasdaq listed issuers. The Committee shall discharge its responsibilities and shall access the information provided by the Corporation's management and the independent auditors, in accordance with its business judgment. In exercising its business judgment, the Committee shall be entitled to rely on the information and advice provided by the Corporation's management and/or its independent auditors.

COMMITTEE STRUCTURE AND MEMBERSHIP

The Committee shall be comprised of three or more directors, as determined by the Board. The Committee members shall be designated by the Board, in compliance with the Bylaws of the Corporation, and shall serve at the discretion of the Board. The Audit Committee shall initially be made up of four directors.

Each member of the Committee shall be an independent director (as defined by all applicable rules and regulations). For purposes hereof, an "independent director" shall be one:

- who accepts no consulting, advisory or other compensatory fee from the Corporation other than in his or her capacity as a member of the Committee, the Board or any other committee of the Board or is not otherwise an affiliated person of the Corporation; and
- who is free from any relationship that, in the opinion of the Board, would interfere with the exercise of his or her independent judgment in carrying out the responsibilities of a director.

The Board shall consider whether at least one member of the Committee shall be an "audit committee financial expert," as defined by Section 407 of the Sarbanes-Oxley Act of 2002, and the existence of such member(s), or the lack thereof and the reason therefore, shall be disclosed in the Corporation's periodic filings as required by the Commission. In determining whether a member of the Committee is an "audit committee financial expert," the Board shall consider whether any member of the Committee have an understanding of generally accepted accounting principles and financial statements, experience in the preparation or auditing of financial statements of companies generally comparable to the Corporation, experience in the application of

generally accepted accounting principles in connection with the accounting for estimates, accruals and reserves, experience with internal accounting controls and an understanding of audit committee functions.

Each member of the Committee shall be able to read and understand fundamental financial statements in accordance with the rules of the NASD applicable to Nasdaq listed issuers. At least one member shall have past employment experience in finance or accounting, a professional certification in accounting or other comparable experience or background that results in the individual's possessing the requisite financial sophistication, such as a current or past position as a chief executive or financial officer or other senior officer with financial oversight responsibilities.

The Committee shall meet at least four times annually, or more frequently as circumstances dictate. To the extent practical and appropriate, each regularly scheduled meeting should conclude with an executive session of the Committee absent members of management and on such terms and conditions as the Committee may elect. As part of its job to foster open communication, the Committee should, to the extent practical and appropriate, meet periodically with management, the director of the internal auditing function, if any, and the independent auditor in separate executive sessions to discuss any matters that the Committee or each of these groups believes should be discussed privately.

Unless a Chairman of the Committee is elected by the Board, the Committee shall elect a Chairman by majority vote.

POWERS

The Committee shall have the power to conduct or authorize investigations into any matters within the Committee's scope of responsibilities. The Committee shall be empowered to engage independent counsel and other advisers, as it determines necessary to carry out its duties. While the Committee has the responsibilities and powers set forth in this Charter, it is not the duty of the Committee to plan or conduct audits or to determine that the Corporation's financial statements are complete, accurate or in accordance with generally accepted accounting principles or applicable law. Those tasks are the responsibility of management and the independent auditors. The Board and the Committee are in place to represent the Corporation's stockholders. Accordingly, the independent auditors are ultimately accountable to the Board and the Committee.

RESPONSIBILITIES

The Committee's policies and procedures should remain flexible, in order to best react to changing conditions and to ensure to the Board and the Corporation's stockholders that the corporate accounting and reporting practices of the Corporation are in accordance with all requirements and are of the highest quality.

In meeting its responsibilities, the Committee is expected to:

1. Review and reassess the adequacy of this Charter periodically, and no less frequently than annually, and recommend to the Board any necessary amendments as conditions dictate.
2. With respect to the Corporation's independent auditors:
 - a. The Committee is responsible for the appointment, compensation and oversight of the work of the Corporation's independent auditors. The Committee shall pre-approve all auditing services (including the provision of comfort letters) and non-audit services provided by the independent auditors to the Corporation, other than as may be allowed by applicable law. The Committee may delegate to one or more designated Committee members the authority to grant pre-approvals required by the foregoing sentence. The decisions of any Committee member to whom authority is delegated hereunder shall be presented to the Committee at each of its scheduled meetings. The

independent auditors shall be ultimately accountable to the Board and to the Committee as representatives of the Corporation's stockholders, which together shall have the ultimate authority and responsibility to nominate the independent auditors to be proposed for stockholder approval and to select, evaluate and (when appropriate) replace the independent auditors.

- b. Review the independence of the independent auditors, including a review of management consulting services, and related fees, provided by the independent auditors. The Committee shall require the independent auditors at least annually to provide a formal written statement delineating all relationships between the independent auditors and the Corporation consistent with the rules of the NASD applicable to Nasdaq listed issuers and request information from the independent auditors and management to determine the presence or absence of a conflict of interest. The Committee shall actively engage the auditors in a dialogue with respect to any disclosed relationships or services that may impact the objectivity and independence of the auditors. The Committee shall take, or recommend that the full Board take, appropriate action to oversee the independence of the auditors.
3. Review and concur with management on the scope and responsibilities of an internal audit department, if any, and on the appointment, replacement, reassignment or dismissal of an internal audit department manager or director, as applicable.
4. Review and discuss with management, before release, the audited financial statements and the Management's Discussion and Analysis proposed to be included in the Corporation's Annual Report in Form 10-K. Make a recommendation to the Board whether or not the audited financial statements should be included in the Corporation's Annual Report on Form 10-K.
5. In connection with its review of the Corporation's interim and audited financial statements, if no report is made by the independent auditors and management, the Committee shall inquire of the Corporation's management and the independent auditors as to whether there were any significant financial reporting issues and judgments made in connection with the preparation of such financial statements, as well as the potential impact on the Corporation's financial statements of any proposed changes in accounting and financial reporting rules.
6. In consultation with the independent auditors, the internal audit department, if any, and management, consider and review at the completion of the annual examinations and such other times as the Committee may deem appropriate:
 - a. The Corporation's annual financial statements and related notes.
 - b. The independent auditors' audit of the financial statements and their report thereon.
 - c. The independent auditors' reports regarding critical accounting policies, alternative treatments of financial information and other material written communications between the independent auditors and management, including the written disclosures and letter from the independent auditors required by Independence Standards Board Standard No. 1 (or any amended or successor standard).
 - d. Any deficiency in, or suggested improvement to, the procedures or practices employed by the Corporation as reported by the independent auditors in their annual management letter.
7.
